

# Chloe

Dog • Sheltie Mix • Puppy • Female • Medium

Chloe is approximately 5 months old as of February 2017. We think she is a Shetland Sheepdog mix. She is a very playful and affectionate puppy with a great personality.

She is working on house-training, current on vaccinations, microchipped, and wormed. We require that she is spayed by the new owner.

If you are interested in adopting this pet, please submit the form found on the home page of our website [www.arkanimalshelter.org](http://www.arkanimalshelter.org), and we will email you to set up an appointment to meet her.

All tax-deductible donations can be made to P.O. Box 8191, North Augusta, SC 29861. Thank you for viewing our rescues!.
